MCA ADMISSION – ELIGIBILITY

P.E. Society's Modern College of Engineering, Pune

=====

COURSE

Master of Computer Applications (MCA)

College:

P.E. Society's Modern College of Engineering (MCOE)

Address:

1186/A, Off J.M. Road,
Shivajinagar, Pune – 411005

Duration:

2 Years / 4 Semesters

Mode:

Full-Time

Admission Year Reference:

2026–27

=====

1. BASIC ELIGIBILITY

=====

For MAH-MCA-CET 2026, the candidate should:

- Be an Indian National.
- Have passed a Bachelor's degree/equivalent qualifying examination.
- Meet the required minimum percentage.
- Meet the Mathematics requirement prescribed in the applicable eligibility rules.

The official MAH-MCA-CET 2026 brochure states that candidates may have a graduation degree such as:

- B.E.
- B.Tech.
- B.Sc.
- B.Com.
- B.Voc.
- BCA
- Other eligible graduation degrees.

=====

2. MINIMUM PERCENTAGE

=====

For MAH-MCA-CET 2026:

General/Open:

Minimum 50% aggregate in qualifying examination.

Maharashtra State candidates belonging to specified:

- Reserved categories
- Economically Weaker Section (EWS)
- Persons with Disability (PwD)

Minimum:

45%

IMPORTANT:

The 45% relaxation is subject to the applicable Maharashtra candidature/category rules.

Do not apply a category relaxation automatically without checking your candidature type.

=====

3. MATHEMATICS REQUIREMENT

=====

Mathematics is an important eligibility condition.

The MAH-MCA-CET 2026 eligibility specifies graduation preferably with Mathematics at:

- 10+2 level

OR

- Graduation level

IMPORTANT:

If you do not have Mathematics in 12th, check whether you satisfy the applicable Mathematics condition through your graduation.

Do not assume eligibility only from your Bachelor's degree.

=====

4. QUALIFYING DEGREES

=====

Possible qualifying backgrounds include:

- BCA
- B.Sc.
- B.Sc. Computer Science
- B.Sc. Information Technology
- B.Com
- B.A.
- B.Voc
- B.E.
- B.Tech
- Other recognized Bachelor's degrees

The exact eligibility depends on the admission-year rules.

=====

5. BCA STUDENTS

=====

BCA students can apply for MCA if they satisfy:

- Required percentage
 - Mathematics requirement
 - Other applicable eligibility conditions
- =====

6. B.SC STUDENTS

=====

B.Sc students can apply subject to:

- Recognized Bachelor's degree
 - Required percentage
 - Applicable Mathematics condition
 - Other admission rules
- =====

7. B.COM STUDENTS

=====

B.Com candidates may be eligible.

However, Mathematics eligibility should be checked carefully.

Do not assume that every B.Com combination automatically satisfies MCA eligibility.

=====

8. B.A. STUDENTS

=====

B.A. candidates may be eligible depending on the qualifying degree and Mathematics requirement.

Check the current CET/CAP brochure before admission.

=====

9. B.VOC STUDENTS

=====

B.Voc is specifically listed among example qualifying Bachelor's degrees in the MAH-MCA-CET 2026 brochure.

Other eligibility conditions shall apply.

=====

10. B.E./B.TECH STUDENTS

=====

B.E./B.Tech graduates can be eligible for MCA.

They must satisfy the applicable admission requirements.

=====

11. FINAL-YEAR STUDENTS

=====

Candidates appearing for the final year of their qualifying examination are eligible to appear for MAH-MCA-CET 2026.

However:

- The Bachelor's degree must ultimately be completed.
 - Final eligibility must be satisfied within the prescribed admission timeline.
 - Required final marksheets/certificates must be submitted when required.
- =====

12. BACKLOGS

=====

Having a backlog does not automatically mean MCA admission is impossible.

However, the candidate must satisfy the final qualifying degree requirements within the prescribed timeline.

Check the applicable CAP rules for the admission year.

=====

13. GAP YEAR

=====

A gap year does not automatically disqualify a candidate.

However:

- Gap-related documentation may be required.
 - The college/CAP may ask for a Gap Certificate/Affidavit.
 - The exact requirement depends on the admission year.
- =====

14. OUTSIDE MAHARASHTRA STUDENTS

=====

Candidates from outside Maharashtra may have different candidature/category rules.

Their eligibility and seat consideration depend on the applicable Maharashtra CAP rules.

Do not assume Maharashtra-specific concessions apply to every outside-Maharashtra candidate.

=====

15. CATEGORY-BASED ELIGIBILITY

=====

Possible categories include:

- Open
- OBC
- SC
- ST
- VJ/DT
- NT

- SBC
- SEBC
- EWS
- PwD
- TFWS
- Other applicable special categories

Category benefit depends on valid documentation and the applicable admission rules.

=====

16. EWS

=====

EWS candidates must satisfy the applicable EWS conditions.

For 2026–27 MCOE admission documentation, EWS candidates are asked for:

- EWS certificate
- Income certificate as prescribed

=====

17. OBC / VJ / NT / SBC / SEBC

=====

Depending on the category and applicable rules, candidates may need:

- Caste Certificate
- Caste Validity Certificate
- Non-Creamy Layer Certificate

For MCOE's 2026–27 admission instructions, NCL is specified as valid up to 31 March 2027 for the listed categories.

=====

18. SC / ST

=====
Candidates may need:

- Caste/Tribe Certificate
 - Caste/Tribe Validity Certificate
 - Income Certificate where prescribed
- =====

19. PwD

=====

PwD candidates must satisfy the applicable disability eligibility requirements.

MCOE's 2026–27 admission instructions specify:

- Certificate in prescribed proforma
- Minimum 40% disability
- Domicile certificate of candidate

Subject to applicable rules.

=====

20. TFWS

=====

TFWS is a separate seat/benefit category.

Eligibility depends on the applicable government/CAP rules.

MCOE's 2026–27 admission instructions require income documentation for EBC/TFWS candidates.

=====

21. ELIGIBILITY EXAMPLES

=====

Example 1:

BCA + 60% + Mathematics

→ Generally meets the basic 2026 percentage requirement.

Example 2:

B.Com + 52% + required Mathematics condition

→ Potentially eligible.

Example 3:

B.A. + 49% + Open category

→ Below the stated 50% general requirement.

Example 4:

Eligible Maharashtra reserved category + 47%

→ Potentially meets the 45% requirement, subject to all other eligibility conditions.

Example 5:

Final-year B.Sc student

→ Can appear for MAH-MCA-CET, subject to completing the qualifying degree requirements.

=====

22. IMPORTANT ELIGIBILITY CHECK

=====

Before applying, verify:

☐ Indian National requirement

☐ Bachelor's degree

☐ Percentage

☐ Mathematics requirement

☐ Category/candidature

☐ Final-year status, if applicable

☐ Required certificates

☐ Admission-year CAP rules

=====

23. FINAL RULE

=====

Eligibility should always be checked against the latest:

1. MAH-MCA-CET Information Brochure
 2. MCA CAP Information Brochure
 3. Maharashtra CET Cell notices
 4. Modern College of Engineering admission notices
- 2026–27 rules should not automatically be treated as
2027–28 rules.
